Certificates of Religious Exemption to Immunizations or Physician Medical Statement of Medical Contraindication										lication		
are reviewed and Maintained by the School Authority.												
ALTERNATIVE PROOF OF IMMUNITY												
1. Clinical diagnosis (measles, mumps, hepatitis B) is allowed when verified by physician and supported with lab confirmation. Attach copy of lab result.												
*MEASLES (Rubeola) (MO/DA/YR)												
2. History of varicella (chickenpox) disease is acceptable if verified by health care provider, school health professional or health official. Person signing below verifies that the parent/guardian's description of varicella disease history is indicative of past infection and is accepting such history as documentation of disease.												
Date of Disease Signature Title												
3. Laboratory Evidence of Immunity (check one)										result.		
*All measles cases diagnosed on or after July 1, 2002, must be confirmed by laboratory evidence. **All mumps cases diagnosed on or after July 1, 2013, must be confirmed by laboratory evidence.												
Physician Statements of Immunity MUST be submitted to IDPH for review.												
Completion of Alter	natives :	1 or 3 MUST be a	ccompanied by Labs & Physicia	n Sign	nature:
